Our beloved Alma
Mater proudly stands forever.
Morris Harvey, Morris
Harvey, true, we'll ever be
Morris Harvey, Morris
Harvey, hail, all hail to thee

Color Photography by Ron Hoke

Vines which cling to walls so stately, silver clouds above thee
Winding stairways, leading upward, we will always love thee,
To the hours we spent in gleaning wisdom, knowledge, learning;
To the days of toil and play our thoughts will e'er be turning.

This, the 1977 HARVEYAN is dedicated to those who made it possible; it is inscribed to the students. It seems only fitting that due should be paid to those who give the meaning for existence.

The yearbook is a record of the life - the laughter and tears of being a college student. It is a priceless source of enjoyment and information in the years to come.

STUDENT LIFE

ORIENTATION

The first weekend back on campus was highlighted by a luncheon and ride on the P. A. Denny, a reception at the home of President Bliss, a party in the C. T., a riverbank picnic and friends, old and new.

FALL FESTIVAL

Despite battles with the weather, Fall Festival was still a success, with a Pizza-Beer party in the Coffee Taverne and the crowning of Fall Festival Queen, Cathy Clement at the formal dance.

CASINO NIGHT

The compulsive gamblers of the campus had their night when the Student Government Association sponsored its ''Casino Night.'' A variety of games of chance were offered which provided an evening of excitement for everyone who took part.

TRICK OR TREAT!

Halloween took on a special atmosphere this year as the Commuter Rooters sponsored a Masquerade Ball. Imaginations ran wild with the costumed characters competing for the first prize, won by Raggedy Ann and Andy, Sue Britton and Chuck Smith.

SKATELAND

A very active group, the Commuter Service Organization, formerly the Commuter Rooters, sponsored a skating activity at Skateland in Kanawha City. Even with a few trips and spills, those students who took part kept things rolling!

One of the highlights of the year was the number of disco-dances sponsored by the Student Government Association.

Student Government Association also provided two ''all-nighters'' which involved dances, movies, the Rod Rodgers Dance Group, and breakfast.

DORM LIFE

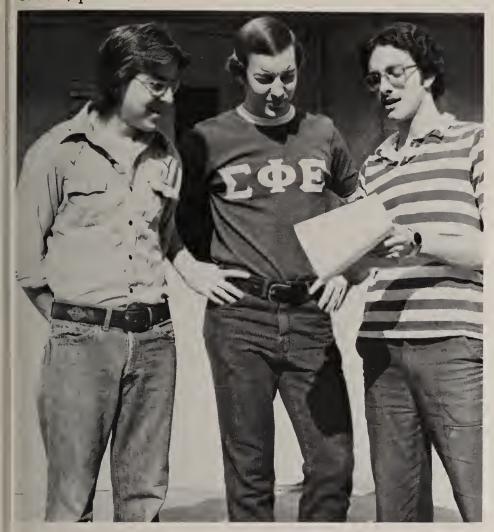

COX HALL OFFICERS: Scott Wilson, Mike Wilson, Jeff Sadow, president.

DICKINSON HALL DORM DOUNCIL PRESIDENT: Janie Bailey.

HAPPY HOLIDAYS!

Christmas was celebrated with the traditional Christmas assembly program and with a special, Commuter Rooter sponsored dance.

A little bit different entertainment was provided this year with a ''Gong Show'' sponsored by the Delta Zeta Sorority. A wide variety of acts participated, with first prize awarded to Judi McVicker and the Silver Legs award going to Steve Wojickie.

MARY, MARY

Due to the success of last year's program and popular request, the Morris Harvey Players presented another dinner theatre. Jean Kerr's MARY, MARY was directed by Bettijane Burger and starred Mike Wilson and Nancy Kersey, with Valerie McGone, Dave Liniak and Phil Reichert.

APPALACHIAN FESTIVAL

This year marked the ninth annual Appalachian Festival. In another successful effort to explore and enjoy the heritage of the area, the festival brought many distinguished guests to Morris Harvey, including Kevin Tighe, Richard Chase, Betty Smith, Louise McNeill Pease, the Putman County Pickers, Carolina Regional Theatre, Dr. O. Norman Simpkins, and Dr. Cratis Williams. Also involved in the program were Morris Harvey's own Vince Lewis, Murial Miller Dressler and Ms. Mary Lee Daugherty.

April 13-16

LET'S GO TO THE RACES

One of the events sponsored by the Commuter Service Organization was the Cinema Races. Another opportunity for the big ''gamblers'' to show their skills, the participants bet on filmed horse races, with the ''money'' and refreshments provided by the Commuters.

WINDUP WEEKEND

Despite some bad weather, Wind-up Weekend was a success once again. The activities began with a disco in the CT Friday night, followed by a semi-formal dance Saturday. The Sunday picnic was moved into the CT with entertainment by a live band.

We'll remember always . . .

This year's Cross Country has made several notable accomplishments of which we are proud. Such accomplishments are as follows:

- Won its first dual meet in a number of years.
- Accomplished its best conference finish.
- Had the first female to run Cross Country in the W.V.I.A.C. Conference, and, in the school's history.

We've come a long way. We only hope that the coming season is even better.

PANHELLENIC ASSOCIATION

The Panhellenic Association's purposes are to maintain on a high plane sorority life and inter-sorority relations within the college; to further fine intellectual accomplishments and sound scholarship; to be a forum for the discussion of all the questions of interest in the college and sorority world; and to compile rules governing rushing, pledging, and initiations on the campus. It is an organization which binds the sororities on campus together, providing a means for them to contribute to the campus and the community as a unit.

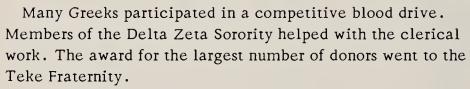

As a kick-off for Spring Rush, Panhell sponsored a Coke and Pizza Party in the basement of Dickinson Hall. This provided an opportunity for all the rushees to meet the sororities and also was an enjoyable experience for all Greek sisters.

ALPHA XI DELTA

Friendship, scholarship, and achievement characterize the sisters of Alpha Xi Delta. The sorority is known for its active participation in campus organizations, college athletics, and the community.

The sisters perform a variety of philanthropic acts on both a local and national level. A few of their traditional activities include a Founder's Day Tea, winter and spring formals, shoeshines, and popcorn sales.

The sisters of Alpha Xi Delta believe sorority membership is a set of ideals, and they strive to make these ideals an integral part of their daily lives.

Sigma Phi Epsilon

Sigma Phi Epsilon is a fraternity that stresses involvement, responsibility, and brotherhood. Sig Eps can be seen participating in varsity sports, intramurals, and student government, as well as community and church activities. This year's activities included participating in Marshall University's annual Sig Ep basketball tournament, a swim party for a local children's home, and two formal dances. After eleven years of existence at Morris Harvey, Sigma Phi Epsilon has never experienced a bad year in membership. This proves that the Sig Eps are truly a great fraternity that enjoys the brotherhood of fraternal life.

Golden Hearts of Sigma Phi Epsilon

The Golden Hearts of Sigma Phi Epsilon are a group of women chosen by the fraternity to participate in its activities, and to join in the friendships offered by the brotherhood. The Golden Hearts are involved with the pledges each semester by taking little brothers and by helping the pledges with fund raising. Once a semester the Golden Hearts give a party for the fraternity. In the past those have taken the form of breakfasts, wine and cheese parties, and pot luck dinners. The group is small, and keeps close relationships among its members and with the Brothers of Sigma Phi Epsilon.

DELTA ZETA

Delta Zeta, the largest sorority in the United States, was founded at Miami University, Oxford, Ohio, in 1902. Morris Harvey's Zeta Tau Chapter was installed in May, 1962 by the combination of two local sororities.

The objectives of Delta Zeta are to unite its sisters in bonds of sincere, lasting friendship and love; to develop outstanding characteristics both morally and socially for its members; and to stimulate one another in the pursuit of higher learning. Delta Zeta sisters are active in various campus activities. Some of these include Student Government Association, MHC Players, Comet, Harveyan, Choir, Debate, Dorm Council, ANEA, MENC, and various honorary organizations. Delta Zetas actively participate in intramurals and support the over-all athletic program at Morris Harvey College.

DELTA ZETA SPRING PLEDGE CLASS

To the Delta Zeta Spring Pledge Class of 1977:

I found seventeen wonderful sisters and friends in the Pledge Class of 77. They worked individually and together as a true sisterhood and as friends. I know they will continue to grow in Delta Zeta love and sisterhood and I wish them all happiness and love forever because I love them all. Thank you all for teaching what it means to be a true Delta Zeta.

GOLDEN LAMPS

The Golden Lamps of Delta Zeta are men chosen by the sisters on the basis of their willingness to participate in the sorority's activities. They work along with the girls in fund raising, philanthropies, and social events. To help new pledges become acquainted with the sorority, they become big brothers. The Golden Lamps are chosen from all areas of college life, thus offering continuous ideas to benefit Delta Zeta.

ALPHA SIGMA PHI

This year Morris Harvey's chapter of Alpha Sigma Phi experienced a rebirth. In the Fall 1976 the Sigs returned to their traditional Black and White Formal, the first in four years. Completely successful, it was attended by brothers, pledges and alumni. The Fraternity gained eight new members while losing two seniors to graduation. On the Intramural scene, the Sigs also captured the all year trophy for intramural sports. They compiled the most amount of points in various sports to win the intramural championship over other fraternities and participating groups. The team was undefeated in soccer, water polo and softball. Actives Bob Hammond and Jeff Weinberg were cited for their various contributions to the fraternity. They served as President and Treasurer, respectively.

Gamma Delta Phi

Gamma Delta Phi is proud to be the only local sorority on the Morris Harvey College campus. Founded on October 11, 1967, Gamma Delta Phi began as an organization based upon the belief that individuals can join together and establish the true meaning of sisterhood. This philosophy has been maintained over the years and as a result, Gamma Delta Phi Sorority has grown to be one of the most vital Greek organizations on campus. Through scholastic, athletic, and social contributions, the sisters of Gamma Delta Phi have continually exhibited superior leadership qualities and strengths. A strong bond of sisterhood exists between the women in Gamma Delta Phi, which is due largely to the fact that the attitude of the sisters reflects emphasis upon individual thought and strives to promote the personal growth of each sister as an individual. We have come together to teach our goals and to keep the true meaning of sisterhood alive through Gamma Delta Phi.

MR. MOHARV

A ''Mr. MoHarv'' contest was sponsored by the Order of Diana, women's auxiliary of the TKE fraternity. Contestants submitted by various campus organizations competed in swimsuit, evening attire, talent competition, and a question and answer session. After stiff competition, the judges made the final decision: first runner-up, Steve McNabb, Mr. MoHarv, Mike Boxely.

TAU KAPPA EPSILON

The Theta Omega Chapter of Tau Kappa Epsilon has a diversity which is very important to all of its members. The brothers are involved in every phase of college life including student government, intramurals, choir and varsity athletics.

TKE is the only fraternity on campus that sponsors events for the entire college community. Their Red Carnation Ball and Playboy Dance are annual events and have been major social functions on campus since the chapter's rebirth in 1974.

The chapter has tripled in size since 1974 and is continuing to grow in size and character.

Tau Kappa Epsilon holds the personal worth and character of its members above all else.

One of the most interesting projects organized by the Little Sisters this year was the ''Mr. MoHarv'' contest. It was successful and will now be an annual event, put on by the Order of Diana, for Morris Harvey College.

GO GREEK

In an effort to encourage Greek relations and promote Greek membership, several mid-morning get-togethers were held. These were attended by many sorority and fraternity members, and also many people interested in the Greek system.

ALPHA OMICRON PI

The ideals of Alpha Omicron Pi are to encourage a spirit of love among its members, to stand at all times for character, dignity, scholarship, strong college spirit, and to strive for and support the best interests of the college and sorority.

Some of the sorority's activities include the winter and spring formals, bake and bagel sales, participating in Panhellenic Association, and just getting together for some good times.

Alpha Omicron Pi helps all the sisters make it through the year and gives them something to look forward to when the new school year starts. Each woman shares a part of herself and grows in many ways which helps to fulfill her life.

COMET

There was a lot of news made during the 1976-77 school year - the tuition increase, the blackouts, the natural gas shortage, the student government elections, the resignation of President Robert L. Bliss, the search for a new president - and ''The Comet'' became a major source of campus news, sometimes scooping the Charleston press.

In some instances "The Comet" even made headlines, notably by requesting that the Board of Trustees open its meetings to the press, sponsoring a question and answer session with SGA candidates, publishing a special edition with background on the Bliss resignation, and publishing the newspaper's fourth annual "Compoon" in an effort to get the whole truth to the campus community.
